THE CLUB SPECIAL BONCAFÉ' COFFEE SELECTION

Before good ideas come good coffee.

Whether you're a team of two or a tribe of two hundred, we make sure all your coffee needs are taken care of.

Boncafé started in 1962, a coffee-loving expat wife was on a quest to discover the perfect cuppa in our little red dot. She bumped into Mr W.E. Huber during her java-finding journey. Luckily for her, this guy happened to be a Swiss commodities trader — who later went on to launch his one-hundred percent pure gourmet coffee business after getting inspired by her coffee complaints. With his battery-operated roaster (the only cool gadget back then), he began his lifelong passion of building Boncafé into a household name that's now recognized regionally. Today Boncafé is super stoked to be sharing our love for coffee in 15 different regions around the world — including South East and East Asia, United Arab Emirates, Europe and South America.
